Annual Dinner
Tuesday, May 5, 2020
The Westin Boston Waterfront
6:00 pm - 9:00 pm

Our Annual Dinner provides us with the community support, relationships, and revenue to support our students. We are proud to bring together Boston’s corporate, philanthropic, and community leaders to celebrate Bottom Line’s programs and the 3,300 students we serve across Massachusetts.

Join us as our students and graduates take the stage to share their stories and the impact that Bottom Line has had on their lives.

ABOUT US

Bottom Line helps first-generation students from low-income backgrounds get into college, graduate from college, and go far in life by providing one-on-one guidance and mentoring to help students launch their careers. Since 1997, we have become a nationally recognized leader in the field of college access and persistence.
